# Pretest and Post-test

## Questions for Whole-Group Oral Testing

*Please administer this test orally. Have students answer by holding up either one or two fingers, or writing the number 1 or the number 2 on a whiteboard. Then indicate whether most, some, few, or none of the students answered the question correctly, by circling the appropriate answer.*

1. If a backyard has lots of green trees and plants, what is it?  
 1) Sparse      2) Lush  
 Most            Some            Few            None
2. Frogs often live in ponds. What is a pond then for a frog?  
 1) Its habitat    2) Its framework  
 Most            Some            Few            None
3. You can almost see through a dragonfly's wings. What does that make them?  
 1) Metallic      2) Transparent  
 Most            Some            Few            None
4. What do kites do when they are in the sky?  
 1) Soar          2) Sprawl  
 Most            Some            Few            None
5. People ride horses from place to place. What are horses used for?  
 1) Shelter       2) Transportation  
 Most            Some            Few            None
6. Dogs live with people. What kind of animal does that make them?  
 1) Domineering    2) Domestic  
 Most            Some            Few            None
7. Which is an example of an imaginary animal?  
 1) A giraffe with wings      2) A lion with sharp teeth  
 Most            Some            Few            None
8. Which word describes a spider's web?  
 1) Multicolored    2) Intricate  
 Most            Some            Few            None
9. Giraffes can reach the tops of trees because of their necks, meaning that their necks are which of the following?  
 1) Elongated        2) Transparent  
 Most            Some            Few            None
10. When a turtle hides in its shell, what is it doing to its neck?  
 1) Replacing it                      2) Retracting it  
 Most            Some            Few            None

# Pretest and Post-test

## Answers

1. If a backyard has lots of green trees and plants, what is it? (lush)
